Hi Dave,

Greg accepted on 7/19 so I assume he will be participating. I have heard nothing to indicate he no longer is available...

I am back from my appointment. Should I call you or you can call me at (b) (6)

Jayne

I can ask her whether we should invite Dan in her absence. Do we know if Greg Aldrich is going to participate?-that would be a factor I think. If it is not a decision meeting, why is it critical for her or Dan to participate? WE can talk at 1pm or after if you want to call to discuss. thanks

Dave:

I must admit I am annoyed. This has been on her calendar since July and she just noticed she had a conflict?

This quarterly meeting is designed for the top management. Both she and Mike had accepted back in July. What should we do? Invite Dan O? Schedule a briefing with her prior to the meeting? (which means rearranging my schedule on Monday or calling in today)? You talk with her? I just don't know what it would mean to ODEQ if we have no upper management represented even though it is not a decision type meeting.

Your thoughts?

Jayne, unfortunately, I will not be able to participate in this call. (b) (6) conflicts with this meeting. I am in today and will be in Monday morning if we need to talk beforehand. Thanks.
